PERRY-HOUSTON COUNTY AIRPORT
UPDATE—AUGUST 2017

August 2017

Please note on your phone's "automatic dialing numbers" that the Perry-Houston County main terminal number (the number to request fuel or get information) is 478-987-3713. Some (probably a lot) of our airport family have Patsy's cell number listed for the airport. Take a moment to check. Our "after-hours" number is 478-988-3699.

Fuel Discount for Phillips 66 Card Users

Due to a negotiated agreement with Phillips 66 Aviation Fuel (our current supplier), customers using a Phillips 66 Aviation Personal Credit Card to purchase AvGas or JetA fuel will receive a 15¢ total discount on their full-service purchase. In addition, the Phillips credit card offers an additional 10¢ per gallon (with 45 gallons or more per month) rebate for the first 90 days and a 5¢ per gallon rebate after that (details on the Phillips 66 website). If you have a Phillips 66 Aviation Card, begin using now to save, and if not, and you wish to participate, apply at phillips66aviation.com. Scroll down a couple of pages and apply for the AvCard.

Patsy's Retirement Party

Thanks to all who attended Patsy's retirement party on the 10th. She wanted to express her appreciation for your attendance, gifts and hugs. Perry-Houston County Airport catered a delicious meal from The Butcher Shop (food and service was phenomenal). We are sure Patsy will drop by from time to time and visit with us (we do have the best coffee in town). We wish her the best in her retirement (and new house).

Special points of interest:

- Airport Telephone Number
- Patsy's Retirement Party
- Hangar Tenant Notices (pg 2)
- Discount on Fuel for Phillips card users
- Celebrate at PXE November 19 (pg2)

ALL EXPIRED HANGAR CONTRACTS WILL BE RENEWED IN OCTOBER.

If your current contract has lapsed, we will need an updated contract with your signature on file. Please call Perry-Houston County Airport if you have any questions.

LET'S CELEBRATE!

HAPPY BIRTHDAY ORVILLE WRIGHT!!! Perry-Houston County Airport will help celebrate National Aviation Day and Orville Wright's Birthday on Saturday, August 19th. We'll be grilling hot dogs and hamburgers from 11:00 AM until 2:00 PM and all airport family members and guests are invited. An additional 10¢ will be discounted on your fuel purchase on the 19th. This would be a great day to introduce someone to the thrill of flying, while saving money on fuel and getting a \$50 hamburger absolute free!

NATIONAL AVIATION DAY - AUGUST 19

A reminder to all hangar tenants

Due to safety regulations, our closed hangar buildings (120-150), must be inspected periodically. Entrance to closed hangars must be afforded to emergency operations, such as the Fire Department. You will be notified of an inspection date. The following is an excerpt from our current hangar contract:

SECURITY LOCKS: In connection with Landlord's right to inspect the Hangar, and Landlord's obligation to maintain the hangar, Landlord will provide a lock to be used to secure the Hangar. This is to be the only lock permitted to secure the Hangar. The Tenant will receive private keys to the said lock, but Landlord will keep a master key to all locks, to enable Landlord to carry out the maintenance and inspections cited above.

Visitor to PXE

An unusual visitor to Perry-Houston County Airport stopped by for fuel last month. A Sikorsky S-58JT, owned by Midwest Truxton International on its way north (trying to get through the unruly weather that day), and enjoyed the hospitality and low fuel prices. Hope the trip home was uneventful, guys, and stop by again anytime.
